

Rosa Parks Theater

January 14th

(4e8 and
4e9)

TIRED OF GIVING IN
The ROSA PARKS story

The play took place at the Alhambra theater in Paris

We took a train and then we visited the neighborhood during 1 hour. After, we went to the theater where the play was great but the actors didn't articulate very well....

After we went out to eat in a playground at the Canal Saint Martin !

Finally, we returned to Enghien by train and we had 2 hours of English class
